

GET YOUR STOP LAX EXPANSION SIGNS

Dear Neighbors and Community Members:

The battle with LAX continues. To once again show our community response, ARSAC has STOP LAX EXPANSION yard signs available.

We are asking for a donation to ARSAC of \$10.00 for one sign and a minimum donation of \$15.00 for two signs. We will deliver the signs to your residence or business within El Segundo, Inglewood, Playa Vista, Playa del Rey and Westchester so that you can proudly display your feelings in your own front yard!

There is little doubt that we will need again to pursue legal action to stop LAX's plans to expand capacity by moving the north Runway 24 Right a minimum of 340 feet north and therefore closer to our homes, schools, churches, parks and businesses!

To create a "clear zone" for the new runway, Lincoln Boulevard will have to be re-routed away from the airport and homes and local businesses such as In-N-Out Burger, the Parking Spot, Bank of America, and two office buildings will be torn down (about 40% of our business district). This proposed runway movement not only increases the safety risk to our community, but also increases noise, traffic and air pollution. Moving Runway 24 Right further north will cost billions of dollars in land acquisition costs and huge losses in business income and property values. Think about what a decrease in your property value would cost you.

ARSAC knows that there will be a need for to hire attorneys to help us win the good fight – this does not come cheap.

Please send us your check of \$10.00 for one sign or a minimum check of \$15.00 for two signs **made payable to ARSAC** (not tax deductible) to:

ARSAC
322 Culver Blvd. #231
Playa del Rey, CA 90293

Also please consider making a **tax deductible** donation for the attorneys by making your check out to the **WNA Foundation** (please write "**Legal Fund**" in the Memo space on the check).
